SUBJECT.

Grant-in-aid to the Kannada private School in Marigudi lane Ballapurpet of the Bangalore City.

LAST REFERENCE

Letter No. 277 dated 6th March 02 from the President of the Municipal Commission, Bangalore City.

At the instance of the School Committee, the Commissioners recommend a grant-in-aid of Rs 5/- a month from Municipal Funds to the Kannada School in Ballapurpete

Vide Enclosure B

2. The school is in a fairly good condition Its strength is 40 and

[GCPB—250—13-3-02

the collection from fees amount to Rs 57/- a month. It has been favourably reported upon by the Dy. Inspector of Schools, who recommends a grant-in-aid of Rs 40/- to it. The Presidency would add that if Govt are pleased to sanction the grant from the 1st March 1902, it will be met from the general savings in the current year's Budget.

Enclosure C

3. It is submitted that the Municipality allows such grants-in-aid to the following 5 schools:-

		Rs
1	St Joseph's A. V. School	15
2	Maharathi School	10
3	Sunkalpet school	10
4	Balepet school	5
5	Barr lines do	4

4 Of the applications involving additional expenditure

to the Municipality are being systematically disallowed on the ground that the Municipal finance is very low In April 1907 when the Board recommended a grant-in-aid of Rs 7/- to the Hindu National School at Bettadapura, the Govt disallowed the recommendation and observed as follows:-

"Government are, however, surprised that the President or rather the Board should make such proposals for the sanction of Government without having any funds at its disposal to meet the extra charge" Please see copy of Progs: no 17453 & 17467-96 of 26th June 1907 put up

Submitted for

orders as to whether the President's attention may be drawn to that order in reply to the present recommendation, as on 21/4/02 there is a debit balance of Rs 52,367 against the Municipality, and the Board do not seem to consider the question of funds when a question is taken up by them for discussion.

Ref to Secty for orders.

JB

1. It is not always fair to disallow small demands of this kind merely because there is a very large debt due. The sheets must be applied in items likely to leave an appreciable saving. I am doubtful however whether this grant may be sanctioned. JB

7. The enquiry was duly made in this office docket No. 18449 & 22nd May 1902 (Ltr 202-93).

8 In reply, the President submits a + copy of the Board's resolution that the charge be met out of the surplus under the head "Education"

Submitted for orders as to whether the grants-in-aid recommended by the Board may be sanctioned.

The received Budget called for for the year 1901-1902 or the Budget for 1902-1903, which is long overdue has not yet been received.

Also correspondence ending with letter No 178 dated the 1st April 1901 from the same officer in re the Board recommendation to a grant-in-aid of Rs 7- per mensem to the Hindu National school at Bethasetty pete in the city -

Dated Bangalore 27-6-1901.

In the present state of the

the Board's finance Government do not consider it expedient to sanction any proposals, creating further burdens on its straightened resources. The question may be considered when by means of increased fees or otherwise funds can be conveniently provided to meet the additional expenditure.

2. Government are however surprised that the President or rather the Board should make such proposals for the sanction of Government without having any funds at its disposal to meet the extra charge.

With reference to the above has the honor to observe that the Board have already requested the Government to relieve them of the Medical and Educational Charges, and that it is not their present recommendation.

it is not understood how such proposals for increase of Educational Charges are made when the Board have been urging the necessity of transferring all such Charges to Provincial Funds.

Requests therefore that

not, therefore, intelligible unless it be made with an anticipation of an ulterior relief.

States further that 'General savings' is too general a term to accept and that if the Board can show fraud the Govt have no hesitation to sanction their recommendation

the President will be good enough to point out the source from which the charge in question could be met, as "General Savings" is too general a term from which such charges cannot be sanctioned
